Total Performance Bass Boats

A Family Tradition

Total Performance Bass Boats

A Family Tradition

Jan and I would like to welcome you to the Bass Cat Family. We now have been building bass boats for over twenty years and are one of the oldest total bass boat companies around.

This company has been under the same ownership from the time it was started, it is not owned by an outboard motor company nor large conglomerates. This means that you deal with a smaller family company who will go out of their way to keep you happy, because we not only want this boat sale, we want all of your future boating business.

We are now the second most represented boat on the Bass Master's Tournament Trail. It is easy to get other boats on the tournament trail if you give them away, but Bass Cat is a smaller company and can't afford to do this. Most of the fishermen who buy Bass Cat could have another brand of boat but chose to buy a Bass Cat to use instead. We feel this is one of the greatest testimonials we can have.

Pride is a factor in a boat purchase, which is why we use only the finest from CMC jackplates to Lowrance electronics and VDO instruments. These improvements are added to an already impressive standard equipment list which includes a jacket and hat with every boat.

About the last weekend of April each year we hold an Owners' Invitational Tournament. This tournament has prizes for almost all contestants. The tournament has no entry fee other than you must own and fish in a Bass Cat Boat. We also have a country style barbecue that is free of charge. This is one way we can collect the FAMILY together and show our appreciation.

We have made many friends in the past twenty years from all over the United States and some foreign countries. Each one of you are treasured because without our friends and customers, Bass Cat Boats would not exist.

All of us at Bass Cat thank you for taking the time to look at our boats. We hope this catalog will help you to understand more about boating and make your decision making much easier. We, the Pierce family, want you to seriously consider joining our Family. This Family does not consider you just another number!

Thank you for the past twenty and we look forward to meeting new friends and to a great future with all the CAT FAMILY.

Safe Boating and Good Fishin'

Ron Pierce

Calico

■ We recommend you always wear a Life Jacket anytime your outboard is running...with an emergency safety switch attached.

The Calico is a high quality performance "fun" boat designed for the family that enjoys skiing and pleasure boating, as well as fishing. A truly sleek boat...offering exceptional ride and performance with graceful handling characteristics. The quality "shines" right up to the optional Maxima stereo with 100 watt waterproof speakers.

STANDARD FEATURES:

- Graphics Dash Panel
- Lockable Storage Boxes
- Metal Flake Cap w/Four Cleats
- Running Lights
- Carpeted Storage Boxes
- Bubble Trim
- VDO Instrument Panel
- Cigarette Lighter
- Two Fishing Seats
- Dual Steering
- Livewell Control Valve
- Livewell Timer
- Sliding Bucket Seats (2)
- 6' Rod & Ski Storage
- Deluxe Steering Wheel
- Built-in Fuel Tank
- Trim Stripe on Hull
- Rod & Ski Strap
- Trim Switch Front & Rear
- Bow Panel w/6 Gauge Wire
- Courtesy Lights
- Premounted Horn

- Color Coded Wiring
- Two Aerated Livewells
- Bilge Pump
- AM/FM Cassette Stereo
- Framed Wind Screens
- Console Tray
- Euro Style Rocker Switches

OPTIONAL EQUIPMENT:

- Funshine Package Includes:
 - Silhouette Package
 - Ski Ladder
 - Ski Tow Bar
 - Maxima Marine 50 Watt AM/FM WB/Cassette Stereo with 100 Watt Speakers and Equalizer.
- Full Top
- Side Curtains
- Aft Curtains

SPECIFICATIONS:

Length18'
 Beam90"

Approx. Weight1200 Lb.
 Fuel Capacity.33 Gal.
 Maximum H.P. Range 115-175 H.P.

Margay

■ We recommend you always wear a Life Jacket anytime your outboard is running... with an emergency safety switch attached.

A perfect mid-size boat for the fisherman desiring a bass boat with superb performance and handling from motors in the 75 to 120 h.p. range.

Fishermen will appreciate the dual aerated rear livewells, bench seats and high quality craftsmanship found in the Margay. We feel that, even though you don't require a "big" boat, you still expect "Bass Cat" quality and workmanship.

STANDARD FEATURES:

- Metal Flake Cap & Insert
- Trim Stripe on Hull
- Rope Rub Rail
- Carpeted Rod Box
- Stainless Steel Handrails
- Fused Switches
- Color Coded Wiring
- Aerated Livewells
- Bilge Pump
- 12 Volt Trolling Motor Plug
- Custom Bench & Two Fishing Seats
- Dual Aerated Livewells

TRAILER:

- 2500 Lb. Axle
- 3 Inch Channel Construction
- Waterproof Bearings
- Recessed/Waterproof Lights
- White Spoke Wheels
- 1200 Lb. Winch
- Custom Paint & Carpet

SPECIFICATIONS:

- Length16' 9"
- Beam79"
- Approx. Wt.880 Lb.
- Maximum H.P. Range . .75-120 H.P.

OPTIONAL EQUIPMENT:

- Plexiglas Windscreen
- 21 Gal. Built-in Gas Tank
- Ski Tow Bar
- Pro Butt Seat
- Recirculating Livewell w/Timer
- Rod Straps
- Lowrance Electronics
- Motorguide 730 Trolling Motor
- Flush Mount Controls: OMC, Mercury or Yamaha

Margay II

■ We recommend you always wear a Life Jacket anytime your outboard is running... with an emergency safety switch attached.

STANDARD FEATURES:

- Metal Flake Cap & Insert
- Trim Stripe on Hull
- Rope Rub Rail
- Bubble Trim
- Carpeted Rod Box
- Stainless Steel Handrails
- Custom Bench & Two Fishing Seats
- Euro Style Rocker Switches
- Color Coded Wiring
- Dual Aerated Livewells
- Bilge Pump
- 12/24 Bow Panel w/6 Gauge Wire
- VDO Instrument Panel
- Cigarette Lighter
- Livewell Control Valve
- Trim Switches (F&B)
- Deluxe Steering Wheel
- Two Courtesy Lights
- Premounted Horn
- Livewell Timer
- Trimmed Floor Edging
- Rod Straps
- Lockable/Carpeted Storage
- Center Floor Seat Base
- Built-In 21 Gal. Fuel Tank
- Running Lights
- Graphics Dash Panel

A deluxe version of the popular Margay. Fishermen will find more "bells and whistles" to make life on the water a little more comfortable. Plus, you'll find even more "options" available to customize your boat and make it perfect for you!

SPECIFICATIONS:

Length16' 9"
Beam79"
Approx. Wt.880 Lb.
Maximum H.P. Range ...75-120 H.P.

OPTIONAL EQUIPMENT:

- Plexiglas Windscreen
- Metal Flake Hull
- Silhouette Package (Inc. Trailer)
- Ski Tow Bar
- Pro Butt Seat
- Dual Steering
- Recirculating Livewell w/Timer
- Lowrance Electronics
- Motorguide 730, 750, ESP, 665 or 765 Trolling Motor
- CMC Jackplate
- Flush Mount Controls: OMC, Mercury or Yamaha

Caracal

■ We recommend you always wear a Life Jacket anytime your outboard is running...with an emergency safety switch attached.

STANDARD FEATURES:

- Metal Flake Cap & Insert
- Trim Stripes on Hull
- Rope Rub Rail
- Bubble Trim
- Carpeted Rod Boxes
- Stainless Steel Handrails
- Custom Seats
- Euro Style Rocker Switches
- Color Coded Wiring
- Dual Aerated Livewells
- Bilge Pumps
- 12/24 Bow Panel w/6 Gauge Wire
- VDO Instrument Panel
- Graphics Dash Panel
- Cigarette Lighter
- Lowrance Surf. Temp.
- Livewell Control Valve
- Trim Switches/Front & Rear
- Deluxe Steering Wheel
- Dual Steering
- Two Courtesy Lights
- Premounted Horn
- Livewell Timer
- Trimmed Floor Edging
- Rod Straps
- Lockable/Carpeted Storage
- Center Floor Seat Base
- Built-In 30 Gal. Fuel Tank
- Running Lights

The Caracal is designed for the serious fisherman who doesn't want to eat anyone's tail spray. This seventeen foot boat offers an excellent ride with "all out" performance capabilities. Fishermen will appreciate the long list of standard features found on the Caracal including rod box storage with room for a flippin' stick.

SPECIFICATIONS:

Length17'
Beam89"
Approx. Weight1050 Lb.
Fuel Capacity27 Gal.
Maximum H.P. Range	...85-150 H.P.

OPTIONAL EQUIPMENT:

- Plexiglas Windscreen
- Silhouette Package (Inc. Trailer)
- Ski Tow Bar
- Ski Ladder
- Pro Butt Seat
- Recirculating Livewell w/Timer
- Lowrance ICR's/Flashers
- Motorguide 750, ESP, 665 or 765 Trolling Motor
- CMC Jackplate (Man. or Hyd.)
- Flush Mount Controls: OMC, Mercury or Yamaha

Caracal II

■ We recommend you always wear a Life Jacket anytime your outboard is running...with an emergency safety switch attached.

The Caracal II is not only a deluxe version of our popular Caracal but is considered the "Hot Rod" of the Bass Cat line. The Caracal will outperform, percent wise per h.p., any boat in our line. The tournament fisherman will appreciate this Cat's performance and handling, but most of all, he will be amazed that the Caracal II has all the standard features found in the Pantera II...our "top-of-the-line" boat.

STANDARD EQUIPMENT:

- Dual Built-In Battery Chargers
- Lighted Storage Boxes
- CMC Jackplate
- Two Lowrance 1240-A's (F&R)
- Dual Bilge Pumps (Auto or Man.)
- Dual Aerators w/Timers
- Graphic Dash Panel
- Deluxe Steering Wheel
- Bubble Trim
- Metal Flake Cap
- Trim Stripe on Hull
- Console Tray w/Lighter
- Four Interior Courtesy Lights
- Livewell Control Valve
- Circuit Breakers
- Carpeted Floor Edging
- Three Seat Positions
- Two 13" Seat Extensions
- Battery Check Gauge
- Front Light Switch
- Euro Style Rocker Switches
- Removable Rear Lids
- Front Accessory Switch
- Dual Rear Livewells
- Rear Cinch Block
- VDO Instrument Panel
- Stainless Steel Handrails
- Lockable Storage Boxes
- Hydraulic Lid Openers
- Metal Flake Insert
- Running Lights
- Tackle Box Shelf
- Master Switch
- Indicator Lights
- Horn
- Four Cleats (Flush Mount)
- Two Fishing Seats
- 12/24 Bow Panel w/6 Gauge Wire
- Rear & Front Trim Switches
- Passenger Handrails
- Rod Straps
- Rope Bump Molding
- Dual Tanks
- Dual Steering
- PVC Enclosed Wiring Harnesses
- Color Coded Wiring

SPECIFICATIONS:

Length	17'
Beam89"
Approx. Weight	1150 Lb.
Fuel Capacity	46 Gal.
Maximum H.P. Range ..	115-150 H.P.

OPTIONAL EQUIPMENT:

- Silhouette Package
- Flush Mount Controls: OMC, Mercury or Yamaha
- Pro Butt Seat
- Lowrance Electronics
- Motorguide 750, ESP, 665 or 765
- Ski Ladder & Tow Bar
- Elevated Flipping Deck
- Hydraulic CMC Jackplate

Sabre

■ We recommend you always wear a Life Jacket anytime your outboard is running...with an emergency safety switch attached.

The 18' Sabre may be the "sleeper" of the Bass Cat line. This boat is a true tournament angler's dream machine. Anglers will find plenty of storage both within the deck layout as well as under the bench seats. Dual rear livewells are found behind the seats, and with the same standard equipment as found on our top of the line Pantera II, fishermen find life on the water a pleasure while filling them.

An optional Flippin' Deck as shown below is a welcome addition for tournament anglers who like to do a lot of flippin' in the brush, plus, it allows for added storage space.

A dual console Sabre is also available for those who enjoy skiing as well as fishing, or simply prefer the appearance of the dual console model.

STANDARD EQUIPMENT:

- Dual Built-In Battery Chargers
- Lighted Storage Boxes
- CMC Jackplate
- Two Lowrance 1240-A's (F&R)
- Dual Bilge Pumps (Auto or Man.)
- Dual Aerators w/Timers
- Graphic Dash Panel
- Deluxe Steering Wheel
- Bubble Trim
- Metal Flake Cap
- Trim Stripe on Hull
- Console Tray w/Lighter
- Four Interior Courtesy Lights
- Livewell Control Valve
- Circuit Breakers
- Carpeted Floor Edging
- Three Seat Positions
- Two 13" Seat Extensions
- Battery Check Gauge
- Front Light Switch
- Euro Style Rocker Switches
- Removable Rear Lids

- Front Accessory Switch
- Dual Rear Livewells
- Rear Cinch Block
- VDO Instrument Panel
- Stainless Steel Handrails
- Lockable Storage Boxes
- Hydraulic Lid Openers
- Metal Flake Insert
- Running Lights
- Tackle Box Shelf
- Master Switch
- Indicator Lights
- Horn
- Four Cleats (Flush Mount)
- Two Fishing Seats
- 12/24 Bow Panel w/6 Gauge Wire
- Rear & Front Trim Switches
- Passenger Handrails
- Rod Straps
- Rope Bump Molding
- Dual Tanks
- Dual Steering
- PVC Enclosed Wiring Harnesses
- Color Coded Wiring

• Shown with optional Elevated Flipping Deck.

SPECIFICATIONS:

- Length 18'
- Beam 90"
- Approx. Weight 1250 Lb.
- Fuel Capacity 42 Gal.
- Maximum H.P. Range . . . 135-175 H.P.

OPTIONAL EQUIPMENT:

- Silhouette Package
- Ski Ladder
- Ski Tow Bar
- Flush Mount Controls: OMC, Mercury or Yamaha
- Pro Butt Seat
- Lowrance Electronics
- Motorguide 750, ESP, 665 or 765
- Elevated Flipping Deck

Classic

■ We recommend you always wear a Life Jacket anytime your outboard is running...with an emergency safety switch attached.

The Classic features the same 19' length and hull design as our top of the line Pantera II. This design provides the ultimate in "Big Boat" performance and handling in all types of water conditions, giving you a safe and dry ride. Dual full length rod boxes and front deck storage hold all the rods and equipment needed for a serious day of fishing. Additional storage is found under the driver and passenger bucket seats or under the optional bench seat shown in the photos. An ice chest is located between the seats, with dual rear livewells located behind them.

A dual console is available in the Classic for those who use their boat for skiing as well as fishing, or just prefer the appearance of the dual consoles.

The Classic's hull design and overall quality hand craftsmanship provide the best overall performance of any bass boat on the market...bar none.

STANDARD FEATURES:

- Graphics Dash Panel
- Lockable/Carpeted Storage Boxes
- Metal Flake Cap
- Stainless Steel Handrails
- Rod Strap
- Front Trim Switch
- 12/24 Bow Panel w/6 Gauge Wire
- VDO Instrument Panel
- Two Fishing Seats
- Dual Steering
- Center Floor Seat Base
- Deluxe Steering Wheel
- Built-In Fuel Tank
- Trim Stripe on Hull
- Driver & Passenger Bucket Seats
- Running Lights
- Bubble Trim
- Trimmed Floor Edging
- Two Courtesy Lights
- Premounted Horn
- Color Coded Wiring
- Two Aerated Livewells
- Bilge Pump
- Livewell Timer
- Euro Style Rocker Switches
- Hydraulic Lid Openers

• Classic shown with SS Bench Seat and deck cleat options.

OPTIONAL EQUIPMENT:

- Elevated Flipping Deck
- SS Bench Seat
- Flush Mount Deck Cleats
- Recirculating Livewell w/Timer
- Lowrance LCR's/Flashers
- Motorguide 750, ESP, 665 or 765 Trolling Motor
- CMC Jackplate (Man. or Hyd.)
- Flush Mount Controls: OMC, Mercury or Yamaha
- Ski Ladder
- Ski Tow Bar
- Plexiglas Windscreen
- Silhouette Package (Inc. Trailer)
- Pro Butt Seat

• Dual Consoles (DC)

- Padded Seating on Rod Box Lids (DC)

SPECIFICATIONS:

- Length19'
- Beam92"
- Approx. Weight1250 Lb.
- Approx. Weight (DC)1350 Lb.
- Fuel Capacity36 Gal.
- Maximum H.P. Range ...115-200 H.P.

Pantera II

■ We recommend you always wear a Life Jacket anytime your outboard is running... with an emergency safety switch attached.

Pantera II

The Panthera II is the "Rolls Royce" of the Bass Cat line. From the eight stringer hull to the VDO Instrument Panel, the Panthera II is pure perfection in quality craftsmanship. Years of planning and discussions with professional fishermen have produced a boat unsurpassed in the industry. This Panthera's innovative 19' hull was a 1st in the bass boat industry. Today it is probably the most copied size due to its popularity among the ranks of serious fishermen.

Standard features, such as two built-in battery chargers, fully lighted rod and storage boxes, two Lowrance 1240-A's, battery checkers and step-on trim switches are a few features which illustrate the forethought which went into the production of the Panthera II.

The hull design and overall hand craftsmanship of the Panthera II provides the best "rough water," no porpoise, ride of any bass boat on the market...bar none. Compare the performance, handling, rough water ride and quality craftsmanship of the Panthera II to any bass boat...bar none.

The Panthera II DC is a dual console model of the Panthera II. You will find the same exacting attention to detail, features and construction, but with an added console for your passengers' protection from the elements. This dual console model is also preferred by many who utilize their boat for both fishing and water skiing...and some just like the overall appearance of dual consoles better.

The Panthera II and Panthera I

Flush Mount Controls (Optional)

Quality Craftsmanship...

Quality craftsmanship at Bass Cat is a family tradition which is uncompromised. Customer satisfaction is the basis of our success, of which we are very proud...hopefully you look for it in every facet of the Bass Cat. As you look at this "Family Album" from the Bass Cat factory, keep in mind that our boats, trailers, interior seating and the embroidery on the Bass Cat Jackets are made from raw materials at Bass Cat, not made for Bass Cat. When we put our name on our boat, we know it meets our uncompromising Quality Craftsmanship standards, not someone else's.

Trailers

Most people take the trailer sitting under that shiny new boat for granted...but we at Bass Cat take our trailers very seriously. Unlike most boat manufacturers, Bass Cat builds Bass Cat Trailers...one at a time, to fit the specific hull of each model of boat. Every member and cross support is jigged, fitted and welded to exact tolerances...there is zero adjustment on our trailers. All axles are jigged and welded in a pattern weld to assure minimal tire wear from caster to camber.

Each trailer is painted and carpeted to color coordinate with the boat for which it was built.

At Bass Cat your safety and the investment you have made in your boat are not taken for granted...we demand quality craftsmanship, it's a family tradition.

STANDARD FEATURES:

- 3000 Lb. Axle
- Waterproof Bearings
- 4" Steel Channel Construction
- 1200 Lb. Winch
- Quick Release Crank Jack
- Recessed Spare Tire Mount
- Fiberglass Color Coordinated Fenders & Carpeting
- Recessed Waterproof Lights
- Polyurethane Enamel Finish
- 14" Slotted Chrome Wheels
- Spare Tire

OPTIONAL EQUIPMENT:

- Raised White Lettered Radial Tires
- Aluminum Wheels
- Tandem Axle Trailer
- Surge Brakes
- Extra Bearing & Hub (Mounted Under Spare Tire)
- Removable Tongue
- Clear Coat Finish (2 coats required on white trailers)

NOTE: Trailer surge brakes are standard on Pantera, Sabre and Calico Trailers.

Bass Cat Invitational

Every year we look forward to our "Family Reunion" ... The Bass Cat Invitational on Lake Norfolk. We call this a family reunion because it's one time each year all Bass Cat owners (our family) are invited to Mountain Home, Arkansas for some good ole Ozarks hospitality. Our only goal is to show our sincere appreciation to our family of Bass Cat owners.

The two-day Invitational begins with registration starting the Friday evening before. Saturday morning is truly a sight to behold, as the sun peeks over the mountains your heart starts pounding a little faster as the daylight reveals a bay with little lights dancing all around on the water. It's not often that you see such a spectacle as 500-600 Bass Cat boats staged for a tournament takeoff. It is an overwhelming sight.

The Bass Cat Invitational is a family affair, we provide an atmosphere for family participation with Rubber Duck Hunts, Kids' Contests, and even a flair for the wives.

Following the first day's weigh-in and a little time to relax and swap a few fishy stories. That evening we all get ready to attend a real honest to goodness Ozark Barbecue and an evening of fun with our friends...totally alcohol free. After all are so filled they feel like their little bellies will pop, we provide a few drawings for prizes, with the final drawing which has included a new boat and trailer... not many leave early at this affair.

Sunday morning brings the final day of competition and some serious thinking, and wondering if any of those fish stories had any truth in them. The afternoon's weigh-in provides a little computer printout that makes several folks really appreciate this year's "Family Reunion." One thing for sure, even if you don't receive one of the diamond rings for winning "Big Bass" honors, nor one of the boat and trailer rigs for catching a mess of fish...you will receive a few days of memories which you will always cherish. We promise you on the way home you will be looking forward to the next "Family Reunion."

So, come on over and visit with us, we think you will meet some really nice people and make some memories to last a lifetime. We look forward to meetin' all of you!

Total Performance Bass Boats

LIMITED FIVE-YEAR WARRANTY

Bass Cat Boats warrants, to the original purchaser, each new boat or trailer used for noncommercial uses, to be free from defects in workmanship and material for a period of two (2) years under normal conditions of recommended use, with a five (5) year hull warranty under the same conditions.

To validate this warranty, the boat registration card must be returned to Bass Cat Boats within fifteen (15) days after original purchase. All boat manufacturers are required by Federal law to notify first purchasers in the event any defect is discovered "which creates a substantial risk of personal injury to the public," or any noncompliance by manufacturer. The failure of any purchaser to fill out and return the warranty registration card may make it impossible for Bass Cat Boats to give direct notice to such purchaser.

During this two-year period, any authorized warranty repairs will be made free of charge by Bass Cat Boats at their manufacturing plant in Mountain Home, Arkansas, or at their option, by an authorized Bass Cat Boats boat dealer at the dealer's store or service center. Transportation costs to the factory are the responsibility of the purchaser. All warranty repairs must be approved by Bass Cat personnel, whose decisions are final.

This warranty does not apply to (1) any boat which shall have been repaired or altered in any way so as to affect its use and operation; (2) gelcoat cracking, crazing, blistering, or discoloring; (3) windshield breakage; (4) any boat which has been subject to misuse, negligence or accident, or used for racing or commercial purposes or operated contrary to any printed instructions furnished by Bass Cat Boats; (5) upholstery damage; (6) accessories, steering systems, pumps, lights, and other equipment not manufactured by Bass Cat Boats (these are covered by the warranties (if any) of the respective manufacturers supplying these items and are not covered under this limited warranty); (7) any boat which has been overpowered according to the maximum recommended engine horsepower specified on the capacity plate affixed to the boat.

This warranty is expressly in lieu of all other warranties, express or implied, including any implied warranty of merchantability or fitness for a particular purpose, and in lieu of all other obligations or liabilities on the part of Bass Cat Boats, and Bass Cat Boats expressly denies on the part of any person to incur or assume for it any other liability in connection with the sale or use of its boats and trailers. Implied warranties, if any, given by valid law shall be limited to the duration of this written warranty.

The obligation of Bass Cat Boats, under this warranty, shall be limited to the repair or replacement of any part which is judged defective by Bass Cat Boats. Bass Cat Boats will not be liable for haul-out, launching, towing or storage charges, inconvenience or loss of time or income, or any other special or consequential damages of any kind or nature.

The information in this literature is based upon the latest product information available at the time of publication approval. Bass Cat Boats reserves the right to make changes anytime, without notice, in the colors, equipment, specifications, materials, hulls, prices, and to discontinue models. When changes are made, we reserve the right to do so without incurring the obligations to equip or modify existing models built prior to the date of such changes.
