Total Performance Bass Boats

Jan and I have been building Bass Cat Boats for over twenty-five years now and most every year has offered us a new challenge. Each has us brought new friends and broader horizons. We have had a history of success and surviving changing market trends presented by our competition. Each year we have faced adversity and come out stronger. Each year is no different and we have enjoyed rising to each occasion.

History has proven that we are an innovative company with many features and trends being first developed or offered by Bass Cat. The future will see us continuing this trend as we have in 1997.

Some of this is in the form of our new jackplate designed for added reinforcement. The introduction of the Jaguar in late '96 is now complimented by the Jaguar dual console (DC) in 1997. Another new feature is a pivot tongued trailer option which will allow easier use than our previous removable tongue. This option will allow many of you to easily fit a Jaguar into your garage. Much like you, we too want our boats inside.

In over twenty five years you cannot imagine the number of innovations "passed over the dam." This has filled our lake with an amazing amount of credentials and offered our customers the security of a long lasting tradition. Those values are enhanced by being family owned and operated since our inception. Jan and I originated and have always owned and operated Bass Cat Boats and have been proud to offer you a product which is manufactured to standards unsurpassed in this industry. We will continue to do that as we have since 1971.

As you view this brochure you will find a broad variety of models and offerings which all have a slightly different use or characteristic. Each of these boats is intended to reach a unique portion of its market and outperform the competition in these areas. We feel that they accomplish this task.

No other tournament oriented bass boat company can offer you the outstanding reputation which has been earned at Bass Cat. None of our competition can say they are still owned and operated by the founding parents. All of this is what gives you the best value on the market for the investment you are about to make.

Last year we spoke of dreams and enjoyment on the water. We still do build dreams and always will! Dreams built with realistic products, good values and equipment unmatched in our industry.

You can buy another boat, however, you can not buy another boat with the equipment and construction benefits offered in a Bass Cat. We think you will find this to be true after you view this brochure.

Our customers are our best sales force. You are welcome to ask any of our Bass Cat family of owners how they have been treated and how they feel about the product they have chosen. We know you will find satisfaction which is unmatched, and we look forward to many more friends around the country.

A handwritten signature in cursive script, reading 'Jan Pucci'.

President
Bass Cat Boats

Owners Invitational

Every year we look forward to our "Family Reunion"... The Bass Cat Invitational on Lake Norfolk. We call this a family reunion because it's one time each year that all Bass Cat owners (our family) are invited to Mountain Home, Arkansas for some good ole Ozarks hospitality. Our only goal is to show our sincere appreciation to our family of Bass Cat Boat registered owners.

The two day (Friday & Saturday) Invitational begins with registration on Thursday evening. Friday morning is truly a sight to behold, as the sun peeks over the mountains, your heart starts pounding a little faster as the daylight reveals a bay with little lights dancing all around on the water. It's not often that you see such a spectacle as 700-800 Bass Cat Boats staged for a tournament takeoff. It is an overwhelming sight to behold.

The Bass Cat Invitational is a family affair. We provide an atmosphere for family participation with Rubber Duck Hunts, Kids' Contests, and even an event for the wives who aren't fishing.

Saturday morning brings the final day of competition and some serious thinking, and wondering if any of those fish stories heard the night before had any truth to them. The afternoon's final day weigh-in provides a little computer printout that makes several folks really appreciate this "Family Reunion". One thing for sure, even if you don't win one of those diamond rings for "Big Bass" honors, nor one of the boat and trailer rigs for catching a mess of fish...you still receive a few days of memories which you will always cherish. Following the final weigh-in contestants get a little time to relax, and swap a few fish fish stories before getting ready for the evening festivities. The festivities include... a real honest to goodness Ozarks Barbecue and an evening of fun with friends...totally alcohol free. After everyone is "stuffed," we provide a few drawings for prizes. The final drawing has included a new Bass Cat boat and trailer...not many leave early! We promise you one thing, on the way home you will look forward to the next "Family Reunion".

Quality Craftsmanship

Hand Craftsmanship utilizing only the highest quality materials available is a family tradition at Bass Cat which is uncompromising. Each step in the manufacturing process is completed by individuals who demand attention to detail in every phase of the boat building process. Customer satisfaction, while continually striving for perfection in our products is the basis of our success, of which we are very proud. Hopefully you look for it in every facet of the Bass Cat Boat. As you look at this "Family Album" of photos taken throughout the Bass Cat factory, keep in mind that our boats, trailers, seating, wiring harnesses and even the embroidery on the Bass Cat seats are all made from raw materials at Bass Cat, *not made for Bass Cat.*

When we put the Bass Cat name on our boat, we know every facet of the final product meets our uncompromising Quality Craftsmanship standards... *not someone else's.*

Margay

We recommend you always wear a U.S. Coast Guard Approved Life Jacket anytime your outboard is running...with an emergency safety switch attached.
Boat Color Shown: P7030

Standard Features:

- Metal Flake Cap and Insert • Trim Stripe on Hull • Rope Rub Rail • Bubble Trim • Carpeted Rod Box • Stainless Steel Handrails • Carling Switches • Color Coded Wiring • Bilge Pump • 12/24/36 Bow Panel with 6 Ga. Wire • Custom Bench & (2) Tempres Fold Down Fishing Seats • VDO Instruments (Tach, Speed, Volt, Fuel) • Graphics Dash Panel • Dual Aerated Livewells • Livewell Control Valve • Livewell Flush Valve • PVC Enclosed Wiring Harness • Front Trim Buttons • Deluxe Steering Wheel • Two Courtesy Lights • Horn • Livewell Timer • Trimmed Floor Edging • Rod Strap • Lockable/Carpeted Storage Compartments • Built-In 21 Gal. Fuel Tank • Running Lights

Optional Equipment:

- Plexiglas Windscreen • Metal Flake Hull • Silhouette Package (Inc. Trailer) • Ski Tow Bar • Pro Butt Seat • Dual Steering • Recirculating Livewell w/Timer • Rod Strap • Lowrance Electronics • MotorGuide 772, 762, 756, 672, or 662 Trolling Motor • Flush Mount Controls: OMC, Mercury, Yamaha or Suzuki • Cigarette Lighter • Console Tray • Maxima AM/FM/Cass or AM/FM/CD Stereo • Custom Boat Cover

Trailer:

- 2300 pound Axle • Three (3) Inch Channel Construction • Waterproof Wheel Bearings • Recessed/Waterproof Lights • White Spoke Wheels • 1200 lb. Winch • Custom Paint and Matching Carpet • Note: No Spare Tire Included

Optional Trailer Package:

- Includes 4" Channel Construction • Spare Tire • Aluminum Mods With Goodyear Marathon Blackwall Tires.

Specifications:

Length	16'9"
Beam	79"
Approx. Wt.	880 lb.
Fuel Capacity	21 Gal.
Max. H.P. Range	75-130 H.P.

The Margay is a perfect entry level bass boat for fishermen desiring superb performance and handling at a modest price. When rigged with motors in the 75 to 130 h.p. range the Margay is not only economical, but has great performance, and handling, with a stable ride.

Fishermen will appreciate the dual aerated rear livewells, comfortable bench seating, and the over all fishing layout found in the Margay. And as you can see

by reviewing the standard features, this is not a stripped down boat...but one with features found only in "big boats". We feel that even though you don't require, or desire a "big" boat, you still expect and deserve this same "Bass Cat" quality and workmanship found in our top of the line boats.

Boat Color Shown: P6502

Caracal

We recommend you always wear a U.S. Coast Guard Approved Life Jacket anytime your outboard is running...with an emergency safety switch attached.
Boat Color Shown: X6545

The Caracal is considered the "Hot Rod" of the Bass Cat line. So, all you fishermen with a few boyhood actions surfacing every now and then, this is the boat for you! Its quick throttle response will keep you in the fast lane right from the instant "hole shot."

If your not concerned about "hot rodding", this boat will still impress you. It handles like a dream... you know you are always in control, and it takes a turn smoothly, with no hopping or skidding.

Tournament fishermen will certainly appreciate the performance, and handling of this 17' boat as well as great fishing decks both front and rear. Fisherman will also be impressed with the list of standard features, from VDO Gauges, dual steering, hydraulic lid openers, dual aerated livewells between the seats, and a Lowrance 3001 Surface Temperature Gauge to name a few.

Boat Color Shown: X1004

Standard Features:

- Metal Flake Cap • Trim Stripe on Hull • Rope Rub Rail • Bubble Trim • Metal Flake Insert • Carpeted Floor Edging • Stainless Steel Handrails • Carling Switches • Front Trim Buttons • 12/24/36 Bow Panel with 6 Ga. Wire • Color Coded Wiring • PVC Enclosed Wiring Harness • VDO Instrument Panel (Tach, Speed, Volts, Fuel) • Graphics Dash Panel • Deluxe Steering Wheel • Circuit Breakers • Dual Aerated Livewells • Livewell Control Valve • Livewell Flush Valve • (4) Tempress Fold Down Seats • Three Seat Positions • Two 13" Seat Extensions • Passenger Handrails • Running Lights • Front Light Switch • Lockable Storage Boxes • Hydraulic Lid Openers • Removable Rear Lids • Rear Cinch Block • Tackle Box Shelf • Master Switch • Horn • Flash Mount Cleats • Rod Strap • Dual Steering • LDT 3001 Temp. Gauge • CMC 6 Bolt Jackplate • Bilge Pump (Auto or Man.) • Aerator w/Timer • 2 Courtesy Lights

Optional Equipment:

- Silhouette Package • Built-In Battery Charger (3) • Pro Butt Seat • Lowrance Electronics • Elevated Flipping Deck • Hyd. CMC Jackplate • Hyd./Tilt Steering • Pro Aeration • Cigarette Lighter • MotorGuide 772, 762, 756, 672, or 662 Trolling Motor • Ski Tow Bar & Ladder • 46 Gal. Fuel Tank • BP101 LCD Digital Dash • Anchor Reins • Moor Mats • Plexiglass Windscreen • Console Tray • Maxima AM/FM/Cass or AM/FM/CD Stereo • Custom Boat Cover

Specifications:

Length	17'
Beam	89"
Approx. Wt.	1050 lb.
Fuel Capacity	27 gal.
Max. H.P. Range	115-150 H.P.

Sabre

We recommend you always wear a U.S. Coast Guard Approved Life Jacket anytime your outboard is running...with an emergency safety switch attached.
Boat Color Shown: UB050

Standard Features:

- Metal Flake Cap and Insert • Trim Stripe on Hull • Rope Bump Molding • Bubble Trim • Carpeted Rod Box • Stainless Steel Handrails • Carling Switches • Color Coded Wiring • Bilge Pump • 12/24/36 Bow Panel With 6 Ga. Wire • PVC Enclosed Wiring Harness • Custom Bench & (2) Tempres Fold Down Fishing Seats • Two 13" Seat Extensions • VDO Instrument Panel (Tach, Speed, Volt, Fuel) • Graphics Dash Panel • Dual Aerated Livewells • Livewell Control Valve • Livewell Timer • Livewell Flush Valve • Horn • Carpeted Floor Edging • Rod Strap • Lockable Storage Compartments • Running Lights • Front Light Buttons • Indicator Lights • Front Accessory Switch • Master Switch • Circuit Breaker • PVC Enclosed Wiring Harness • Three Seat Positions • Passenger Handrail • Rear Cinch Block • Tackle Box Shelf • Removable Rear Lid • Dual Steering • Hydraulic Lid Openers • 1240A In-Dash • CMC 6 Bolt Jack Plate • Flush Mount Cleats

Optional Equipment:

- BP101 LCD Digital Dash • Silhouette Package • Ski Tow Bar • Ski Ladder • Plexiglass Windscreen (Std. on DC) • Pro Butt Seat • Lowrance Electronics • MotorGuide 772, 762, 756, 672, or 662 Trolling Motor • SS Welded Handrails • Recirculating Livewells w/Timer • Flush Mount Controls: OMC, Mercury, Yamaha or Suzuki • 42 Gal. Fuel Tank • 60 Battery Boxes Available With 42 Gal. Fuel Tank Only • Built-In Battery Charger (3) • Hyd./Tilt Steering • Flipping Deck Insert • Pro Aerobon • Anchor Reins • Moor Mats • Custom Boat Cover • Deluxe Bow Shroud with Lowrance 1240A • Maxima AM/FM/Cass or AM/FM/CD Stereo • Console Tray

Specifications:

Length	18'
Beam	90"
Approx. Wt.	1250 lb.
Fuel Capacity	27 Gal.
Max. H.P. Range	135-175 H.P.

The Sabre may be the "sleeper" of the Bass Cat line. This 18' boat is a true tournament anglers dream machine. It's easily maneuvered around in backwater, while still providing a "big boat" ride and stable handling while running the "big water." Anglers will find plenty of storage both within the deck layout as well as under the bench seat. Dual rear livewells are found behind the bench seat, and the Sabre comes loaded with standard equipment. VDO Instrument Panel, Lowrance 1240A In-Dash, Dual Steering, Hydraulic Lid Openers, and a Jack Plate are all standard...making the Sabre one of the best "values" on the market.

An optional Flippin' Deck as shown is a welcome addition to anglers who like to do a lot of flippin' in the brush, plus, it allows for added storage space beneath the deck.

A dual console model is also available for those who enjoy skiing as well as fishing, or simply prefer the appearance of the dual console Sabre.

* The Sabre is available in motor combo format for added value and equipment.

Boat Color Shown: US112

The Sabre shown above features the Optional Elevated Flippin' Deck.

Eyras

We recommend you always wear a U.S. Coast Guard Approved Life Jacket anytime your outboard is running...with an emergency safety switch attached.
Boat Color Shown: B9037

The Eyras represents a new era in eighteen foot bass boats designed specifically for the serious tournament angler. A new front deck positions the angler 10-12" closer to the action with wider deck room. A patented recessed trolling motor foot control platform offers less leg and back stress. This recessed area, also, is home for bow mounted graphs; they're out of the way, yet highly visible.

A new console offers even the largest of men leg room and roomy comfort. A tilt wheel, seats with high backs and "wrap

around" support all help provide additional body control and comfort during rough water or long run situations. Behind the seats you will find a redesigned extra wide beam with 2000 era styling which provides added room and good looks to the back of the boat. If you fish tournaments with H.P. limitations take a demo ride in this new Eyras...this is the bass boat you've always wanted. The Eyras screams with a 150, and has a layout with features you've never dreamed of.

Boat Color Shown: B6567

Standard Features:

BP101 LCD Digital Dash • Metal Flake Cap and Insert • Trim Stripe on Hull • Rope Rub Rail • Bubble Trim • Stainless Steel Handrails • Carling Switches • Color Coded Wiring • Dual Auto Bilge Pump • 12/24/36 Bow Panel with 6 Ga. Wire • PVC Enclosed Wiring Harness • (2) Tempress Fold Down Fishing Seats • Dual Aerated Livewells w/ Recirculator • Livewell Flush Valve • Step-On Trim Buttons • Deluxe Momo Steering Wheel • Console Tray • Courtesy Lights • Horn • Trimmed Floor Edging • Rod Straps (2) • Lighted, Lockable, Carpeted Storage Compartments • Running Lights • Dual Steering with Tilt • Front Navigation Switch • E.T.A. Circuit Breakers • Master Power Switch • Ice Chest • Battery Check Gauge • Lester Built-In Triple Battery Charger • Lowrance 1240A In-Dash • Upper & Lower Transom Support Plates • CMC 6 Bolt Jackplate

Optional Equipment:

Silhouette Package • Pro Butt Seat • Lowrance Electronics • MotorGuide 772, 762, 756, 672, or 662 Trolling Motor • Flush Mount Controls: OMC, Mercury, Yamaha or Suzuki • Hydraulic CMC Jackplate • Maxima AM/FM/Cass or AM/FM/CD Stereo • Elevated Flipping Deck • Pro Aeration • 1.5" Steering Wheel Extension • 42 Gal Fuel Tank • Plexiglass Windscreen • Anchor Reins • Moor Mates • GIL Battery Trays • Custom Boat Cover • VDO Gauges: Tach/Speed/Volt/Fuel/Quartz Clock

Specifications:

Length 17'11"
Beam 92"
Approx. Wt. 1350 lb.
Fuel Capacity 36 gal.
Max. H.P. Range 150-175 H.P.

Classic

We recommend you always wear a U.S. Coast Guard Approved Life Jacket anytime your outboard is running...with an emergency safety switch attached.
Boat Color Shown: AB100

Standard Features:

Metal Flake Cap • Trim Stripe on Hull • Rope Rub Rail • Bubble Trim • Metal Flake Insert • Carpeted Floor Edging • Carling Switches • Front Trim Buttons • 12/24/36 Bow Panel with 6 Ga. Wire • PVC Enclosed Wiring Harness • Color Coded Wiring • VDO Instrument Panel (Tach, Speed, Volts, Fuel) • Graphics Dash Panel • Deluxe Steering Wheel • Circuit Breakers • Dual Aerated Livewells • Livewell Control Valve • Livewell Timer • Livewell Flush Valve • Bilge Pump • (2) Tempress Fold Down Fishing Seats • Running Lights • Lockable/Carpeted Storage Boxes • Hydraulic Lid Openers • Master Switch • Horn • Rod Strap • Dual Steering • Courtesy Lights (2) • Stainless Steel Handrails • Three Seat Floor Positions • Driver & Passenger Tempress Bucket Seats • Flush Mount Cleats • Lowrance I240A In-Dash • Recessed Trolling Motor Pedal • CMC 6-Bolt Jackplate

Optional Equipment:

Elevated Flipping Deck • Bench Seat • Lester Built-In Triple Battery Charger • Recirculating Livewell w/Timer • Lowrance Electronics • CMC 6 Bolt Hydraulic Jackplate • Hydraulic/Tilt Steering • MotorGuide 772, 762, 756, 672, or 662 Trolling Motor • Flush Mount Controls: OMC, Mercury, Yamaha, or Suzuki • Ski Ladder • Ski Tow Bar • Plexiglass Windscreen • Silhouette Package • SS Welded Handrails • Anchor Reins • Moor Mates • Pro Butt Seat • Pro Aeration • Console Tray • Maxima AM/FM/Cass or AM/FM/CD Stereo • Dual Consoles (DC) • Padded Seating on Rod Box Lids (DC) • GIL Battery Trays • 52 Gal. Fuel Tank • Trolling Motor Basin Insert Cover • Custom Boat Cover

Specifications:

Length	19'
Beam	92"
Approx. Wt.	1250 lb.
Approx. Wt. (DC)	1350 lb.
Fuel Capacity	36 Gal.
Max. H.P. Range	115-200 H.P.

The Panthera Classic features the same 19' hull design as the Bass Cat Panthera II. The front deck features our patented recessed trolling motor mount. This recessed mount not only puts fishermen closer to the front of the boat but helps relieve back and foot stress during the days fishing. A Panthera's hull design provides the ultimate in "big boat" performance and handling in all types of water conditions, giving you a safe and dry ride. A new console includes a in-dash Lowrance I240A. Dual full length rod boxes and front deck storage areas to hold all the rods and tackle needed for a serious day of fishing for you, and your part-

ner. Additional storage is found under the seats, with an ice chest located between the driver and passenger seats. Behind the seats you will find dual aerated, timed livewells and a rear deck big enough for your partner to move around with ease.

A Classic dual console (DC) is available for those who use their boat for both skiing and fishing, or just prefer the appearance of dual console boats.

The Classic's hull design and overall quality, hand craftsmanship provide the best overall performance of any bass boat on the market...bar none.

*Available in motor combo format for added value.

Boat Color Shown: 28003

Pantera II

We recommend you always wear a U.S. Coast Guard Approved Life Jacket anytime your outboard is running...with an emergency safety switch attached.

Take a close look...innovative hull and deck designs abound on the Panthera II. From the eight stringer hull to the BPIOI LCD Digital Dash, the Panthera II is pure perfection in quality, craftsmanship, and boating innovations which puts new meaning in our tag line...*Total Performance Bass Boats*. Years of planning and discussions with professional fishermen have produced the Panthera II. A patented recessed trolling motor pedal basin at the bow places fishermen 10-12" closer to the action, providing additional deck space for a buddy to fish without feeling cramped. Fishermen have found less back, knee and ankle stress with this recessed mount. This deck modification also allows a move of the console to a more forward position allowing even the largest of anglers ample room and comfort behind the new Momo tilt steering wheel. Better comfort is also found in the bench seats, higher backs and wrap around support provide more comfort during those long early morning runs. The rear section of the deck has smooth rounded corners which are more aerodynamic and allow motor control cabling to exit at the center of the splashwell and enter the engine with less binding and kinking as they link the console control to the engine.

The deeper hull on the Panthera II provides an even smoother, no porpoise, rough water ride than the old hull for which the Panthera has been so noted for throughout the industry. This deeper hull design also allows for reduced backwash on shut down.

The Panthera II DC is available with dual consoles for those who prefer the looks and added protection from the elements that they offer their passengers. The passenger console has a large glove box for added storage.

Compare the standard features, performance, handling, rough water ride, quality craftsmanship, customer satisfaction, and reputation of the Bass Cat Panthera II or the Panthera II DC to any bass boat on the market...bar none. You will see, regardless of which Panthera II you might choose, one thing for sure ...you can't make a bad choice.

Boat Color Shown: W9281

Boat Color Shown: 59460

The patented recessed trolling motor foot control basin is shown at the left. It helps relieve back and leg stress during a days fishing.

Aerodynamic rear deck styling allows cabling to exit with less tension and stress on the motor controls.

Standard Features:

BP101 LCD Digital Dash • Lester Built-In Triple Battery Charger • Lighted Storage Boxes • CMC 6 Bolt Jackplate • Two Lowrance 1240A's (F&R) • Dual Bilge Pumps (Auto or Man.) • Dual Aerated Livewells w/ Timers • Livewell Flush Valves • Graphic Dash Panel • Deluxe Tilt Steering Wheel • Bubble Trim • Metal Flake Cap • Trim Stripe on Hull • Console Tray w/Lighter • Four Interior Courtesy Lights • Livewell Control Valve • Circuit Breakers • Carpeted Floor Edging • Three Seat Positions • Two 13" Seat Extensions • Battery Check Gauge • Front Light Switch • Carling Switches • Removable Rear Lids • Front Accessory Switch • Dual Rear Livewells • Rear Cinch Block • Stainless Steel Handrails • Lockable Storage Boxes • Hydraulic Lid Openers • Metal Flake Insert • Running Lights • Tackle Box Shelf • Master Switch • Indicator Lights • Horn • Four Cleats (Flush mount) • (2) Tempress Fold Down Fishing Seats • 12/24/36 Bow Panel w/6 Gauge Wire • Front Trim Buttons • Passenger Handrails • Rod Strap • Rope Bump Molding • Dual Fuel Tanks • Dual Steering • PVC Enclosed Wiring Harness • Color Coded Wiring • Mercury Switches • Recessed Trolling Motor Petal Basin at Bow

Optional Equipment:

Dual Consoles • Silhouette Package • Ski Ladder • Ski Tow Bar • Flush Mount Controls: OMC, Mercury, Yamaha or Suzuki • Pro Butt Seat • Lowrance Electronics • MotorGuide 772, 762, 756, 672 or 662 Trolling Motor • Hydraulic CMC Jackplate • Hydraulic Tilt Steering • Elevated Flipping Deck • Pro Aeration • SS Welded Handrails • 1.5" Steering Wheel Extension • Lighted Livewells • Anchor Reins • Moor Mates • GIL Battery Trays • Plexiglass Windscreen • VDO Instrumentation (Tach, Speed, Volts, Fuel, Quartz Clock) • Maxima AM/FM/Cass or AM/FM/CD Stereo • Recessed Trolling Motor Basin Cover • Custom Boat Cover

Specifications:

Length	19'
Beam	92"
Approx. Wt.	1400 lb.
Approx. Wt. (DC)	1460 lb.
Fuel Capacity	52 Gal.
Max. H.P. Range	135-200 H.P.

Jaguar

We recommend you always wear a U.S. Coast Guard Approved Life Jacket anytime your outboard is running...with an emergency safety switch attached.

The NEW Jaguar Bass Boat from Bass Cat Boats can be described with one word*AWESOME!* This 20'3" hull glides over and thru the water with ease. It's stable, yet agile even in rough water, and a dream to drive. Performance is a word which has always been associated with Bass Cat Boats, the 20' Jaguar is no exception. Passengers will swear they are out for a Sunday drive, even as their cheeks and eyelids are pulled back as they sense its smooth acceleration to a blistering "top end".

Tournament fishermen and their partners will never get in one another's way, nor stumble over equipment getting to the net. A master rod box and a separate partners rod box in the rear deck keeps all rods and reels organized and out of the way. Front and rear deck storage compartments provide all the additional tackle and accessory storage any fisherman could ever need or want.

At the bow, fishermen will find Bass Cat's patented recessed basin which holds the trolling motor foot control. It's flush with the deck, out of the way, puts fishermen 10-12" closer to the action, plus it helps relieve back and foot strain associated with a days fishing. This

12

recessed area also provides space for a digital graph.

Three front storage compartments plus an ice box keep everything close at hand and offer plenty of floor space for two "flipping" close cover.

At the console fisherman will marvel at the amount of information available to them with a simple touch on the new digital BPIOI "Super Dash". Location, distance and time traveled, barometric pressure, surface temp, and livewell temp to help monitor the days catch and ensure a safe, healthy release. The Super Dash also helps keep an accurate "pulse" on the engine while helping to gain its ultimate performance at all levels of operation. This is only a partial listing of features...seeing is believing.

A dual console (DC) model is also available for those who prefer the looks and passenger convenience offered by a two console boat.

The Pierce family tradition of demanding only the highest quality craftsmanship, performance, and state of the art design in each Bass Cat Boat is found in all 20'3" of this new Jaguar.

This new Bass Cat Jaguar is simply the "ultimate" bass boat.

Boat Color Shown: C0901

Standard Features:

BP 101 Super Dash • Built-In Triple Battery Charger • Lighted Storage Boxes • CMC 6 Bolt Jackplate • Hydraulic Steering with Tilt Steering Wheel • Lowrance 1240A In-Dash • Dual Bilge Pumps (Auto or Man.) • Dual Aerated Livewells with Timer • Livewell Flush Valves • Graphics Dash Panel • Deluxe Tilt Steering Wheel • Bubble Trim • Metal Flake Cap • Trim Stripe on Hull • Console Storage Tray with Lighter and Light • Four Interior Courtesy Lights • Two 12v Accessory Outlets • Livewell Control Valve • Circuit Breakers • Carpet Floor Edging • Three Seat Positions • Battery Check Gauge • Bow Navigation Light Switch • Carling Switches • Removable Rear Lids • Front Accessory Switch • Dual Rear Livewells • Rear Circuit Block • Stainless Steel Handrails • Lockable Storage Boxes • Hydraulic Lid Openers • Metal Flake Insert • Running Lights • Tackle Box Shelf • Master Power Switch • Indicator Lights • Horn • Four Cleats (Flush Mount) • Two Tempress Fold Down Seats • Two 13" Extensions • 12/24/36 Bow Panel Plug with 6 Gauge Wire • Front Power Trim Buttons • Passenger Handrails • Two Rod Straps • Rope Bump Molding • 52 Gallon Fuel Capacity (Dual Tanks) • PVC Enclosed Wiring Harness • Color Coded Wiring • Mercury Switches • Recessed Trolling Motor Basin at Bow • Large Front Rod Box with Organizer • Rear Rod Box (Passenger) 6'10" • Two Ice Boxes • Passenger Storage Box • Three Drink Holders • Passenger Foot Rest • Storage Under Bench Seat • Three Storage Areas at Bow • Oil Battery Boxes • Tackle Storage on Back Deck

Optional Equipment:

Dual Consoles (DC) • Silhouette Package • Ski Ladder • Ski Tow Bar • Flush Mount Controls (Mercury, OMC, Yamaha or Suzuki) • Pro Butt Seat • Lowrance Electronics • MotorGuide 772, 762, 756, 672, or 662 Trolling Motor • Hydraulic 6 Bolt CMC Jack Plate • Flipping Deck Insert • Pro Aeration • 1.5" Steering Wheel Extension • Lighted Live Wells • Anchor Reins • Moor Mates • Plexiglass Windshield • Maxima AM/FM/Cassette AM/FM/CD Stereo • Custom Boat Cover • Optional Fuel Tank (for 225 or Long Run Capability) • Trolling Motor Basin Cover

• **Dual Axle Brakes Recommended on all Jaguar Trailers.**

Specifications:

Length	20'3"
Beam	93"
Approx. Wt.	1745 lb.
Approx. Wt. (DC)	1805 lb.
Fuel Capacity	52 Gal.

The BPIOI LCD Digital Dash (Optional Lowrance Electronics)

The Bass Cat BPIOI LCD Dash received Honorable Mention (2nd Place) for marine product innovation during the 1992 IMTEC's *world wide* competition. For 1997 refinements have been made which make the "Super Dash" even more superb. The new BPIOI Super Dash is the future of marine technology.

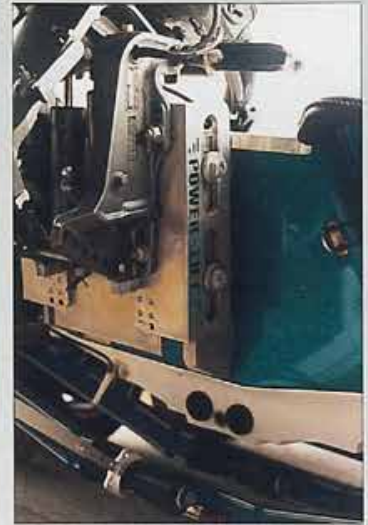

Fishermen are amazed at the amount of information that can be retrieved with the touch of a finger. The LCD screen is driven from a 12K micro processor thru solid state circuitry. This processor is very reliable and provides you useful information...no gimmicks. You will be amazed as you review the following partial listing of basic features available at your touch.

BPIOI Basic Features:

- LCD Digital Dash Readout • Clock • Security System • Trip Odometer • Surface Temperature • Livewell Temperature • Barometer • Digital Compass • Trip Time • Hours • Fuel Gauges (2) • Engine Temperature Gauge • Tachometer • Trim Gauge • Speedometer • Accessory Switch • Programmable Aerators • Oil Monitor • Voltmeter • Internal Circuit Protection • Continual Battery Monitors • Thermal Breakers • And More

Removable Rear Lids

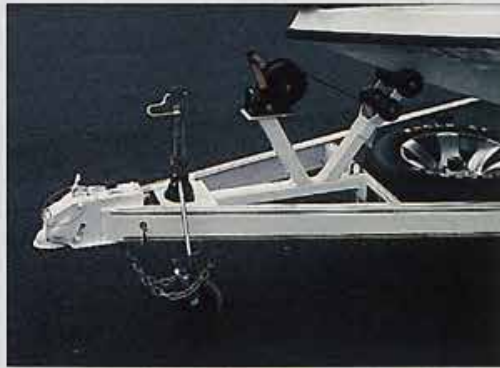

Trailers

Boat Color Shown: C0913

Most people take the trailer sitting under that shiny new Bass Cat Boat for granted...but we take our trailers very seriously. Unlike most manufacturers, Bass Cat builds Bass Cat Trailers...one at a time, to fit the specific hull design of each model boat. Every member and cross support is jigged, fitted and welded to exact tolerances...there is *zero adjustment* on a Bass Cat Trailer. Axles are also

jigged, and welded in a pattern weld to assure minimal tire wear from caster to camber. Finally, each trailer is painted and carpeted to coordinate with the boat for which it was built.

At Bass Cat your safety and the investment you have made in your boat are not taken for granted...we demand quality craftsmanship, it's a family tradition.

Boat Color Shown: S9100

Standard Features:

- 3000 lb. Axle • Waterproof Bearings • 14" Aluminum Mod Wheels with Goodyear Marathon Blackwall Tires
- 4" Steel Channel Construction • 1200 lb. Winch • Quick Release Crank Jack • Recessed Spare Tire Mount • Spare Tire • Fiberglass Color Co-ordinated Fenders & Carpeting • Recessed Waterproof Lights • Polyurethane Enamel Finish • Surge Brakes (Std. on the Jaguar, Panthera II, Classic, Eyra, and Sabre Trailers)

Optional Equipment:

- Silhouette Aluminum Wheels with Raised White Lettered Firestone Firehawk Radial Tires • Tandem Axle Trailer • Surge Brakes • Spare Hub and Bearing (Mounted Under Spare Tire) • Removable Tongue • Clear Coat Finish (2) Coats Required on White Trailers

Warranty

Limited Five Year

Bass Cat Boats warrants to the original purchaser, each new boat or trailer used for noncommercial uses, to be free from defects in workmanship and material for a period of two (2) years under normal conditions of recommended use, with a five (5) year hull warranty under the same conditions.

To validate this warranty, the boat registration card must be returned to Bass Cat Boats within fifteen (15) days after original purchase. All boat manufacturers are required by Federal law to notify first purchasers in the event any defect is discovered "which creates a substantial risk of personal injury to the public", or any noncompliance by manufacturer. The failure of any purchaser to fill out and return the warranty registration card may make it impossible for Bass Cat Boats to give direct notice to such purchaser.

During this two-year period, any authorized warranty repairs will be made free of charge by Bass Cat Boats at their manufacturing plant in Mountain Home, Arkansas, or at their option, by an authorized Bass Cat Boats boat dealer at the dealer's store or service center. Transportation costs to the factory are the responsibility of the purchaser. All warranty repairs must be approved by Bass Cat personnel, whose decisions are final.

This warranty does not apply to (1) any boat which shall have been repaired or altered in any way so as to affect its use and operation; (2) gelcoat cracking, crazing, blistering, or discoloring; (3) windshield breakage; (4) any boat which has been subject to misuse, negligence or accident, or used for racing or commercial purposes or operated contrary to any printed instructions furnished by Bass Cat Boats; (5) upholstery damage; (6) any boat utilizing over a 6" Jack Plate or changing of standard equipped models Jack Plate to other than standard; (7) accessories, steering systems, pumps, lights, and other equipment not manufactured by Bass Cat Boats (these are covered by warranties (if any) of the respective manufacturers supplying these items and are not covered under this limited warranty); (8) any boat which has been overpowered according to the maximum recommended engine horsepower specified on the capacity plate affixed to the boat.

This warranty is expressly in lieu of all other warranties, express or implied, including any implied warranty of merchantability or fitness for a particular purpose, and in lieu of all other obligations or liabilities on the part of Bass Cat Boats, and Bass Cat Boats expressly denies on the part of any person to incur or assume for it any other liability in connection with the sale or use of its boats and trailers. Implied warranties, if any, given by valid law shall be limited to the duration of this written warranty.

The obligation of Bass Cat Boats, under this warranty, shall be limited to the repair or replacement of any part which is judged defective by Bass Cat Boats. Bass Cat Boats will not be liable for haul-out, launching, towing or storage charges, inconvenience or loss of time or income, or any other special or consequential damages of any kind or nature.

The information in this literature is based upon the latest product information available at the time of publication approval. Bass Cat Boats reserves the right to make changes anytime, without notice, in the colors, equipment, specifications, materials, hulls, prices, and to discontinue models. When changes are made, we reserve the right to do so without incurring the obligations to equip or modify existing models built prior to the date of such changes.

Bass Cat Boats makes every effort to ensure that the brochure information herein is correct and accurate at the time of production. Continual product refinement and design changes may result in revisions to current products that may not be shown in this brochure. We reserve the right to make changes in models, specifications, colors, and features at any time. Please see your authorized Bass Cat Dealer for additional information, options and specific warranty information.
